

From the Desk of Executive President

– Executive President, Atharva Group of Institutes

It gives me immense pleasure to congratulate all our students who have been successfully selected by TCS through the campus placement drive. This remarkable achievement reflects your dedication, perseverance, and commitment to excellence. I extend my heartfelt best wishes as you embark on this exciting professional journey. At Atharva, we believe that excellence in education is driven by continuous learning and professional development. In line with this vision, a Faculty Development Programme (FDP) on the theme 'Empowering Educators for Excellence' was organized on 29th and 30th June, 2026. The programme provided our faculty members with a valuable platform to enhance their pedagogical skills, embrace innovative teaching methodologies, and align themselves with evolving industry and academic expectations. These accomplishments reaffirm our Institutions unwavering commitment to nurturing both student success and faculty excellence. I encourage everyone to continue pursuing knowledge, embracing innovation, and contributing meaningfully to the growth and reputation of Atharva.

My heartfelt congratulations to our students and best wishes to our faculty members as we continue our journey towards academic and professional excellence.

Sunil Rane
Executive President, Atharva Group of Institutes

Empowering Educators for Excellence

Atharva University Mumbai, through its IQAC, successfully organized a two-day Faculty Development Program (FDP) titled Empowering Educators for Excellence on 29th and 30th June 2026 at Rambhau Mhalgi Prabodhini, Uttan, Bhayander.

The FDP aimed to enhance teaching effectiveness, promote learner-centric pedagogical practices, strengthen leadership and communication skills, and encourage continuous professional development among faculty members. The program featured distinguished resource persons who delivered insightful sessions on contemporary educational practices. Mr. Hareesh Tibrewala conducted a session on Academic Leadership in the Age of Artificial Intelligence highlighting the transformative role of AI in higher education.

Department of Electronics & Telecommunication Engineering

Professional Development Programme

The Department of Electronics & Telecommunication Engineering, Atharva College of Engineering successfully organised 6 Day Professional Development Programme (PDP) on “Intelligent Cyber Defence: AI/ML and Quantum Computing Applications” from 8th June, 2026 to 13th June, 2026 in online mode. The programme aimed to give participants an in-depth understanding of emerging technologies in the areas of Artificial Intelligence (AI), Machine Learning (ML), Quantum Computing and Cyber Defence and to foster research and innovation in these fast moving fields. The programme comprised of expert sessions by eminent academicians and industry experts like Dr. Amrutha Muralidharan, Dr. M. R. Sundara Kumar, Mr. Shrikant Chaini, Dr. T. Lakshmi Bai, Dr. A. Manimegalai, Mr. Korvi Pullaiah, Ms. Mandalam Chitralekha, Ms. Remya Raveendran, Ms. Lakshmi Sireesha C.H., Dr. Payal Thakrar, Ms. A. Hilary Nisha and Dr. Swati Dhondiram Jadhav.

The resource persons shared their expertise on AI-driven cyber security, intelligent threat detection, quantum computing applications, secure communication systems, ethical hacking concepts and real-world industrial applications. The programme saw enthusiastic participation of more than 195 faculty members, students, research scholars and industry professionals.

The programme served as a great platform for promoting professional development, enhancing industry-academia collaboration and encouraging participants to explore advanced research and innovation in the areas of AI, ML, Quantum Computing and Cyber security.

Mr. Milind S. Kamble delivered an inspiring session titled Innovating Teaching, Teaching Innovation – From Compulsion to Curiosity emphasizing creativity, curiosity, and student engagement in teaching-learning processes. Mr. Pranav Patel addressed the participants on Faculty Excellence 360°: Commitment, Accountability, Motivation, focusing on professional responsibility and Institutional excellence. Mrs. Priya Sawant conducted a session on Professional Excellence: Refining the Art of Academic Leadership stressing the importance of leadership competencies in academia. Dr. Brilliant SK concluded the program with an engaging session on The Power of Listening: Driving Better Decisions and Stronger Teams underscoring the significance of effective communication and active listening.

The FDP provided faculty members with valuable insights into innovative teaching methodologies, AI-enabled education, academic leadership, motivation, communication, and professional excellence. The interactive sessions, practical strategies, and collaborative discussions created an enriching learning environment and encouraged the exchange of best practices among educators.

Department of Training & Placement

The Department of Training & Placement at Atharva College of Engineering recorded a strong performance during May and June 2026, successfully placing 40+ students in reputed organizations across various sectors. The department conducted multiple online recruitment drives, with participation from companies such as QualityKiosk Technologies, Hubblebox, Zeltonic Solutions, KONE Eleveator, Kriston Control & System Pvt Ltd, Black Orange Talent Pvt Ltd, Tescom, ACG Inspectio System Pvt Ltd, Pazago, Oorjan, Offering Opportunities in Core Engineering, It, Consulting, Sales, And Operations Domains.

In addition, several organizations including Quantum Data Engines, Saphul Marketing Pvt Ltd, visited the campus for recruitment, enabling direct interaction between students and recruiters. Students also participated in selection processes conducted at company premises such as Startologic Technologies, Tecnimont Pvt. Ltd., Onyx Techno Solutions, and Lightforce BuildINT Pvt. Ltd., gaining valuable corporate exposure.

As part of the campus recruitment drive for the Batch of 2027, Tata Consultancy Services (TCS) visited our campus and successfully conducted its complete recruitment process. The drive commenced with a Pre-Placement Talk, where students were introduced to the company's work culture, career opportunities, and recruitment process. This was followed by an on-campus assessment test and personal interview rounds, ensuring a seamless and convenient recruitment experience for our students.

We are delighted to announce that 50 students have been successfully selected by TCS, marking a significant achievement for the institution. This accomplishment reflects the dedication of our students, the continuous efforts of the Training & Placement Cell, and the strong industry-academia collaboration that enables our students to secure promising career opportunities. The department continues to reinforce its commitment to industry engagement, practical learning, and career excellence.
